

VISION: How You Can Help

Our Nehemiah vision comes in part from the book of Nehemiah, in the Bible. In this book, Nehemiah learns of the devastation and destruction that has taken place among his people. The gates and walls of security had been burned down and many of his people had been taken captive. Families were separated, killed or taken captive and businesses were destroyed. The infrastructure was destroyed and the people were hopeless, helpless and abandoned.

Nehemiah's heart was broken, his love and deep compassion arose within him to do something to help his people. His prayers to God and his willingness to sacrifice, suffer and to serve made a difference in the restoration of a nation by uniting his people together for one purpose.

Our vision is to join others in bringing hope and restoration to the city of *Gary*. Together we can do so much to make an impact and a difference in our area. The need is great, but with the help of our mayor, the spiritual community, the business community, families, public and private agencies, profit and non-profit entities and most of all with God's help, WE CAN make a difference in the lives of God's people.

Your support and prayers are welcomed and encouraged. Labor, resources, ideas and finances are needed now. Thank you in advance
